Let the *Pro's at Angelo's* Rebuild Your *Tired, Broken or Over Worked* Hydraulic Unit!

Only **\$125.00** for Labor

The unit will be entirely dismantled and reassembled. Any parts that are damaged or corroded will be replaced at our technicians discretion. Pump pressure will be returned to manufacturers specs. When the process is complete your unit will look and operate like new. This process will take approximately 7-14 days after it has been received at Angelo's. You will be charged \$125.00 rebuild rate at the time of receiving the unit which is non-returnable and non-refundable. you will be charged for parts and freight back to you when the job is complete. If you choose not to have your unit rebuilt you will be charged a shipping fee to have the unit returned to you along with \$125.00 labor rate!

Instructions:

1. Complete this form and include it with your hydraulic unit. If this form is not included it will be returned freight collect.
2. Ship unit to Angelo's freight pre-paid.
